**Elementary Faith Formation (Sunday School):** This fall we are being church together, across the country, with Abiding Presence Lutheran Church in Burke, Virginia. Together, our kids are exploring through APLC's program what it means that God knows us "Inside Out." We are going to explore what it means to be angry, scared, disgusted, sad, and joyful through a Biblical lens. God made us with big emotions and we are going to discover how they can all be used to worship and glorify God. Our program will follow a workshop model where kids choose which activity they want to participate in for the entire 7 sessions. Each session will include a Bible lesson, which is the same for all groups. Next, they move into their workshop activity where they engage in hands-on activities. Finally, each group will close with the same prayer. 10-12 grade High School students who have participated in our G.A. Fellows training program will be leading our program this fall, assisted by adult mentors.
